*Deepening relationships with God and one another  
through Christian fellowship and service to all*

Is your Circle coming together for the first time this biennium? If so, we hope this checklist will help as you meet. Please share your responses with the Leadership Team; you can do so by emailing us at [hmcwomensfellowship@gmail.com](mailto:hmcwomensfellowship@gmail.com) or **calling \_\_\_\_\_**.

- Select a leader for your Circle. Please provide her name, phone number, and email address to the Leadership Team. A Circle leader helps coordinate activities and responsibilities and shares any information which Circle members would like reported to the Leadership Team.
- Decide when and how you will meet. In person? Online? Monthly on a certain day/time? We understand plans may be up in the air at this time. Please share your meeting schedule with the Leadership Team.
- Devotions: will you be using *Living the Life of a Disciple*? If so, have you received copies? If not and you have selected a devotional, if you think it might be something other women would be interested in using, please share its name with us.
- Review the four new areas of focus for Women's Fellowship: interest groups, Circles, community events, and service projects. What gifts, skills, and energy does your Circle have for these areas? More information is available on the Women's Fellowship page on the church website.

We are excited to see what gifts and energy emerge as Circles resume connecting with one another! Please reach out to a member of the Leadership Team with any questions you have.
