"Connecting Hearts, One Press at a Time" Project.

This project is designed to provide CPR training for various people involved in ministry in the Moravian Church Southern Province.

The classes will be held at Friedland Moravian Church in Winston-Salem. The classes this fall will be from 9am-1:30pm on Saturday, September 28, Saturday, October 5, and Saturday, October 26. Interested people only need to attend one of these dates to get training-not all three. We currently have 36 spaces open. It is not too late to show interest.

If you or anyone in your respective ministries are interested in participating, please have them send an email by September 25 to: khmc3401@bellsouth.net. I will contact the interested parties with the registration form link and more information.

Prayer Tree

To learn more about prayer concerns or to share your own, email Katherine Petree katherine@thepetrees.net or contact the church office. Requests for prayer will only be shared with the congregation with the permission of the individual or family.

Save the Date!

October 20th is Commitment Sunday
Dare to be Generous

"We deem it a sacred responsibility to be faithful stewards of all God has entrusted to us: our time, our talents, and our financial resources." -Moravian Covenant for Christian Living

"I can do all things through him who strengthens me." -Philippians 4:13

Throughout the summer, stewardship speakers have encouraged us to dare to be generous with our time and talent by sharing their rewarding experiences in a variety of ministries here at Home Church. October 20, Commitment Sunday, is our opportunity to dare to be generous with our financial resources. It may not be easy to take that dare because stewardship challenges us at the very edge between faith and reason.

God created us to be logical creatures who can do math, and God created us as spiritual beings who trust in God's ability to do things beyond what our minds can comprehend. When it comes to financial stewardship, it is easy to do the math: Every dollar given is one less dollar for me and my family. But God's economy does not work that way.

God can sow 100 seeds and harvest from 150 plants. God can touch one life, and through that life touch millions. God can take our dollar and bless us in such a way that we never miss it. God makes it all work out because that is what God promised.

So, as you consider how to fill out this year's pledge card, start with your heart and not your head. God calls us to do what our heart tells us to do and let the logical mind follow. Give as freely as God's grace is freely given to us. Dare to be Generous.

Please set aside October 20 to join us for a meaningful worship service and an outdoor reception afterwards. Should it rain, the reception will be held in the Lovefeast Serving Room.

Page Dancy, Susan Elster, Gil Frank, Bev Moore (chair),
Elaine Peddycord, Elizabeth Robinette, Barbara Strauss, Ginny Tobiasen

THANK YOU to everyone who participated in our Moravian Day of Service project.
